EXTERNAL WINDOWS AND DOORS APPEAL

17th May 2018 / 1st Ramadhan 1439

Email: info@ashrafiamasjid.org - www.ashrafiamasjid.org

Assalamu alaikum warahmatullahi wabarakatuh

Ramadhan Mubarak!

Alhumdullilah the blessed month of Ramadhan is upon us once again and I pray that this month is a source of blessing and mercy for you and your family. Ameen

As you are already aware, we have been actively working towards raising funds for the New Ashrafia Masjid and Madrasah for the past couple of years and we are delighted to inform you that by the grace and mercy of Allah swt and with your duaas and continuous support, alhumdullilah we have now completed phase 1 (Shell) of this project, and have reached the stage of installing external windows and doors.

The total cost of the windows and doors is £62,650 and we have prepared an easy to follow breakdown for each door and window, priced individually for all four elevations.

To help achieve our target in raising this amount by end of the holy month, we first and foremost make a humble request for your precious duaas.

Secondly, we are kindly appealing for your financial help – no matter how small. Given that there is a cost of £62,650 it will be a huge help if you could sponsor a door or a window of your choice, this could be done individually or collectively as a family or group of friends.

This is an opportunity to earn on-going reward for yourself, your family and deceased relatives. All brothers and sisters are requested to pray for the continuous success of this project and encourage friends and family to donate generously to this worthy cause. May Allah swt accept and abundantly reward. Ameen.

Wassalamu alaikum warahmatullahi wabarakatuh

“Whosoever will do a voluntary good deed during this month, it is as if he performed an obligatory good deed at another time and whosoever will perform an obligatory good deed, it is as if he performed seventy obligatory good deeds at another time.”

(As-Suyuti, Ad-Durr al-Manthur)

Technal Aluminium System

LDG Contracts to be appointed for the external windows and doors package, based on their track record in delivering high quality solutions, in particular on projects with curved windows and mosques. The manufacturing of the windows will take approximately 9 weeks and installation will take place over a 4 -week programme installing a combination of aluminium curtain walling screens, doors and windows.

Ensuring the windows and doors provide a quality solution that will perform well in the long term, aesthetically and functionally, LDG Contracts will apply Technal Aluminium Systems throughout. This will include Technal MX System for the main curved windows and Technal Soleal FY 65 System for the standard windows. All windows and doors will be Aluminium and the Technal System has been chosen to provide reliable, structural integrity, weather performance, thermal enhancement and security.

The windows will all have tinted glazing externally to provide a uniform look and internally will be sand blasted to provide a frosted finish for privacy. Top hung, opening windows will provide natural ventilation.

HOW YOU CAN DONATE

IN PERSON

Donate in person at the Masjid during Salah times.

BANK TRANSFER

Bank: **HSBC**

Account Name: **Ashrafia Mosque**

Sort Code: **40-12-04**
